## **SECTION 1 - INTRODUCTION TO XRMS OPEN SOURCE BASICS**

# 1 Overview

This chapter presents the salient features of XRMS and the hardware and software required to install this product.

## 1.1 Key Features of XRMS

XRMS is a Web-based application that is designed so that users can:

- Manage client companies and contacts within a company.

- Initiate and manage marketing campaigns.

- Initiate and manage cases, opportunities, and activities related to companies and contacts.

- Upload files associated with activities or contacts.

- Generate activity reports that help to monitor salesforce operations.

- Customize and Administer the XRMS environment.

## 1.2 Terms Used in this Manual

**Activity:** Action taken or task performed by a user that puts him or her in touch with a contact in a company. Activities can take the form of: a telephone call, a letter, meeting with, or e-mails to a contact. Activities are linked to companies and contacts and can also be related to campaigns, cases and opportunities.

**Campaign:** A set of related tasks aimed at achieving a particular goal, for example, creating awareness about a specific product or service that XRMS offers or plans to offer. A campaign usually extends for a fixed duration and is not related to a specific company.

**Case:** A client support issue.

**Company:** Business entity that has a relationship with XRMS.

**Contact:** An employee of a company with which XRMS has a business relationship. Contacts interact with XRMS employees on various fronts.

**Customer:** A company that has contacts. In other words, a customer in XRMS is a company with whom XRMS has a business relationship and employs individuals (contacts) that interact with XRMS employees.

**Opportunity:** A sales opportunity with a specific company and a contact within that company.

**NOTE:** A comprehensive list of terms is provided in the Glossary at the end of this manual.

## 2 Starting Work in XRMS

To be able to work with XRMS you need to log in to the software. Type the URL given to you by your system administrator to access this Web-based system. You then see the login screen.

The login screen is a simple form with a title 'Login'. It contains two input fields: 'Username' with the text 'danbrown' and 'Password' with ten dots. Below the fields is a 'Login' button.

Figure 1: Login Screen

### 2.1 To Login

1. Enter your login name in the Username box. The user name can be up to 100 characters.
2. Enter your password in the box provided. The password can be up to 100 characters.
3. Click **Login** to see the XRMS Home screen.

The XRMS Home screen features a top navigation bar with links: Home, Activities, Companies, Contacts, Campaigns, Opportunities, Cases, Files, Reports, Administration, and Preferences. The main content area is divided into several sections:

- Documentation:** Includes a link to the User Manual (PDF).
- Opportunities:** A table with columns: Opportunity, Type (G), Status (G), Close Date. It shows 'No matches' and a 'Search' button.
- Open Cases:** A table with columns: Case, Company (G), Priority (G), Due. It shows 'No matches' and a 'Search' button.
- Files:** A table with columns: Name, Size, Owner, Date. It shows 'No attached files'.
- Notes:** A table with columns: Attached To, Date, Owner. It shows 'No attached notes'.
- Search Results:** A table with columns: Summary, Type (G), Contact (G), About, Scheduled Start, Scheduled End. It shows one record: 'To Do', 'call to', 'Diane Marsh', 'Help001', '2005-08-31', '2005-08-31'. Below the table are buttons for 'Select Column Layouts', 'Calendar View', 'Export', 'Mail Merge', and 'Browse'.

Figure 2: Home Screen

## 2.2 About the Home Screen

The XRMS Home screen alerts you to open activities and allows you to view the details of those activities by clicking on the item in the Summary column that corresponds to the required activity in the Search Results table.

You can navigate to any of the links on the top bar of the screen and can also view and undertake tasks from the sidebar – Documentation, Opportunities, Open Cases, Files, and Notes.

The Home screen contains the following elements:

1. A top bar with the links: Home, Activities, Companies, Contacts, Campaigns, Opportunities, Cases, Files, Reports, Administration, and Preferences.
2. A table with the title Search Results. This allows you to view the list of activities that meet the search criteria specified in the Filter Activities box.
3. A box with the title Filter Activities. You can only view this box if you click **Filter Activities** in the Search Results table. This box enables you to filter activities based on the given criteria.
4. A sidebar with the elements: Documentation, Opportunities, Open Cases, Files, and Notes.

### 2.2.1 Links on the Top Bar

The links on the top bar of the Home screen are also present on every XRMS screen. They provide an easy way to reach the corresponding feature.

Click on the relevant link to reach the feature you wish to work with.

### 2.2.2 Search Results

The Search Results table gives you details of all XRMS activities that meet the criteria specified in the Filter Activities box. By default, the search results are displayed as a list. When the due date by which the activity is to be completed has passed, the activity is highlighted in red.

For more information on the table and the buttons associated with it, see 9.1.1 Search Results in the chapter on Activities.

### 2.2.3 Filter Activities

The Filter Activities box enables you to search for an activity based on specified filters.

1. Click **Filter Activities** in the Search Results table to view the Filter Activities box.

Filter Activities					
Summary	Contact	Search By Date			
<input type="text"/>	<input type="text"/>	Scheduled End ▼	Before ▼	<input type="text" value="2005-09-09"/>	
Type	Owner	Company			
<input type="text" value="▼"/>	<input type="text" value="▼"/>	<input type="text" value="International Invt"/>			
<b>Filter Activities</b>		<b>Clear Filter</b>			

Figure 3: Filter Activities Box

2. Enter the criteria in the appropriate fields.
3. Click **Filter Activities** to view the results of the search in the Search Results table.
4. Click **Clear Filter** to hide the Filter Activities box.

### 2.2.4 Sidebar Elements on Home Page

The different sidebar elements are explained in the table that follows.

Documentation	This box contains links to documentation that will enable you to use XRMS effectively.
Opportunities	<p>This box shows opportunities that are associated with the activities in the Search Results table. Click on the opportunity name to view details.</p> <p>Click <b>Select Column Layouts</b>. For details, see 4.1.2.1.</p> <p>Click <b>Search</b> to enter details of an opportunity that you are looking for.</p>
Open Cases	<p>This box shows open cases that are associated with the activities in the Search Results table. Click on the case name to view details.</p> <p>Click <b>Select Column Layouts</b>. For details, see 4.1.2.1.</p> <p>Click <b>Search</b> to enter details of an open case that you are looking for.</p>

Files	Click on any file name to view files related to the activities on the Home screen. The files, which are related to activities whose due date for completion has passed, are highlighted in red.
Notes	Displays names of any notes that have been written on the activities. Click on the name of the note to see details. Click <b>View/Edit</b> to view or edit the note. Click <b>New</b> to write a new note.

## 2.3 To Logout

Click **Logout** on the top bar of any screen to log out from the XRMS website.

### 3 Performing Searches

In XRMS, you can search for a company, contact, activity, case, or file. This can be done in two ways:

#### 1. Search

You can enter the criteria to find a particular company, contact, activity, case, or file in the appropriate fields in the Search Criteria screen of the respective links.

Click **Search** to view the results of the search in the Search Results table. By default, every time you click on any of the links on the top bar, a search is performed based on the search criteria you last specified. The corresponding search results are shown in the Search screens of the respective links.

To perform a new search, click **Clear Search** to clear all the fields so that you can begin with new search criteria.

Click **Advanced Search** to search – for example, for a company – with criteria not available in the search options above. You now see the Companies screen where you can enter any criteria and click **Search**.

#### 2. Saved Searches

You can also enter search criteria in the appropriate fields in the Search Criteria box and enter a name in the Search Title field to save this search. This saves you a lot of time especially when you have to conduct a search based on the same search parameters again.

Select the search title from the options in the Saved Searches drop-down list and click **Search** to view the search results. In this case, you do not need to enter any other search criteria.

To delete a saved search, select the search title from the options in the Saved Searches drop-down list and click **Delete** to remove this search.

## 4 Managing Customer Profiles

An XRMS customer is a company that your organization has business dealings with. The customer employs individuals that are known in XRMS as contacts.

To add, view, and update company information click the **Companies** link at the top of any XRMS page.

### 4.1 Maintaining Details of Companies

Details of all business customer companies can be maintained in XRMS. These details are the company name, address, telephone number, fax number, relationship to other people or companies, and other information that needs to be retained about the company.

#### 4.1.1 Search Companies

When you click the **Companies** link at the top of any XRMS screen, you see the Search Companies screen.

The screenshot shows the 'Search Companies' interface in XRMS. At the top right, it says 'Logged in as: user1 • Logout'. The navigation bar includes links: Home • Activities • Companies • Contacts • Campaigns • Opportunities • Cases • Files • Reports • Administration • Preferences. The main content area has three primary sections: 'Company Options' with a 'New Company' button; 'Recently Viewed' showing a list of company names like 'International Investment Group', 'Global Securities Inc.', and 'Copy of International Investment Group'; and 'Search Criteria' which contains several input fields for searching by Company Name, Owner, Category, Industry, Phone, City, State, and Country. Below these fields are 'Saved Searches' and 'Search Title' sections. At the bottom of the search criteria section are buttons for 'Search', 'Clear Search', and 'Advanced Search'. The 'Search Results' section at the bottom shows 'No matches' and includes a 'Hide' link and buttons for 'Select Column Layouts', 'Mail Merge', and 'Snail Mail Merge'.

Figure 4: Search Companies Screen

#### Search Criteria

You can search for a company based on any of the fields in the Search Criteria box. These criteria are described below.

**Company Name:** Enter the commonly used name or trade name (partial or full name) of the company.

**Owner:** Choose the employee who created or is responsible for maintaining a relationship with the company from the drop-down list.

**Category:** Choose the category from the drop-down list.

**Industry:** Choose the industry from the drop-down list.

**Phone:** Enter the phone number of the company.

**City:** Enter the name of the city to search for the respective companies.

**State:** Enter the name of the state to search for the respective companies.

**Country:** Select the name of the country from the drop-down list.

**Saved Searches:** Searches that are saved are shown in the drop-down list.

**Search Title:** If you enter a search title in the box provided, the search is saved. If you select an item from the drop-down list and click **Delete**, this search is removed.

**Add to Everyone:** Select this check box to add this search to all your contacts.

Click **Search** to extract the relevant information.

Click **Clear Search** to clear all the fields so that you can begin with new search criteria.

Click **Advanced Search** to search for a company with criteria not available in the Search option above. You now see the Companies screen where you can enter any criteria and click **Search**.

You now see the results of the search in the Search Results table.

Every time you click on the **Companies** link on the top bar, a search based on the search criteria you last specified is performed, and you can view the corresponding search results.

## 4.1.2 Search Results

The companies that meet the specified Search Criteria are filtered by XRMS and displayed in the Search Results table. You can do the following from this table:

Select Column Layouts (allows you to select which data columns should be displayed from amongst the list of data in the Available Columns box)

Mail Merge (send the same e-mail to a list of e-mail ids)

Snail Mail Merge (send the same mail to all contacts within the selected companies)

Sort items in columns

### 4.1.2.1 Select Column Layouts

The Select Column Layouts feature is designed so that you can tailor onscreen search result displays according to their needs.

Click **Select Column Layouts** in the Search Results table to see the Select Columns screen.

Select Columns	
<p><b>Displayed Columns</b></p> <div> <div>⬆</div> <div>⬇</div> <div>⬆</div> <div>⬇</div> </div> <div> <div>Company Name</div> <div>Company Code</div> <div>User</div> <div>Industry</div> </div> <div> <div>move all -&gt;</div> </div>	<p><b>Available Columns</b></p> <div> <div>&lt;- one</div> <div>one -&gt;</div> <div>&lt;- move all</div> </div> <div> <div>City</div> <div>State</div> </div>
<p><b>Layouts</b></p> <div> <div>Update View</div> <div>Reset View</div> <div>Cancel Changes</div> </div>	

*Figure 5: Select Columns*

The Available Columns box shows the complete list of column titles to be displayed. The Displayed Columns box shows those columns you wish to have displayed.

1. To select the column you require, place the cursor bar over the column name and:

Click **one** to move items to the Displayed Columns text box, one at a time.

Click **move all** to move all the items to the Displayed Columns text box.

Click **one** to move items to the Available Columns text box, one at a time.

Click **move all** to move all the items to the Available Columns text box.

2. To specify the order in which the columns should be displayed, click **Λ** and **V** beside the Displayed Columns box. The column title at the top of the box will be leftmost in the display and others will follow in the order they are shown in this list.

3. You can now:

Click **Update View** to see the new column order in the Search Results table.

Click **Reset View** to return to the columns shown in the Available Columns box prior to any updates.

Click **Cancel Changes** to discard the updates you made and return to the Search Results table.

#### 4.1.2.2 Mail Merge

Click **Mail Merge** in the Search Results table to send e-mails to company contacts using standard templates or custom templates. This procedure is explained in 5.4 Send E-mails to Contacts (Mail Merge).

#### 4.1.2.3 Snail Mail Merge

The Snail Mail Merge feature is used for sending specific and targeted mails to particular categories of customers. It gives you a list of names and addresses of people (that you can choose from) in the comma separated values (CSV) format. Like the Mail Merge feature, if you choose a number of companies, it will list all the contacts within those companies. Unlike Mail Merge, it does not record activities when you send mail merge to people.

Click **Snail Mail Merge** in the Search Results table to send the same mail to all contacts within the selected companies.

[\[This feature is still under development\]](#)

#### 4.1.2.4 Sort items in columns

To sort the elements in the search results table, click the appropriate column title.

### 4.1.3 Company Options

[You can create a company either directly from the Companies screen by clicking the New Company link or indirectly as part of adding a new contact. For more information,](#)

see [Figure 23: New Contact–Search for a Company Screen 2](#) and the section in parentheses under this figure.

To create a company directly from the Companies screen:

Click the **Companies** link shown at the top of every CRMS screen to see the Search Companies screen.

In the Company Options sidebar box, click the **New Company** link to see the New Company screen.

Figure 6: New Company Screen

The red asterisk beside a field indicates that a value has to be entered in the field to be able to create a company.

Enter the following details:

#### Company Information

Company Name: Enter the commonly used name or trade name (partial or full name) of the company.

Legal Name: Enter the registered company name. This is optional. If it is not filled in, the company name will be used as the legal name.

Company Code: Enter a value here to associate a unique code with the company.

CRM Status: Status of this company with regard to its relationship with your organization. For example: Lead, Prospect, Active and so on. Select an option from the drop-down list.

Company Source: Means by which this company was identified. Select an option from the drop-down list.

Industry: Industry in which this company operates. Select an option from the drop-down list.

Owner: Employee assigned to establish a relationship with this company. Select an option from the drop-down list.

Phone: Enter the company telephone number.

Alt. Phone: Enter second company telephone number.

Fax: Enter the company's fax number.

URL: Enter the web site address.

Employees: Enter the number of employees, if known.

Revenue: Enter the revenue generated by this company.

Profile: Enter salient information about the company here.

#### Address

A set of addresses can be associated with a company. The contacts of a company refer to the list of addresses when they need this information. The Address box at the side of the New Company screen is provided so you can enter an initial company address quickly.

For more information on different types of company addresses, see 5.5 Addresses.

Enter the following details:

Address Name: Enter the name to appear in address selection lists.

Line 1: Enter the first line of the address.

Line 2: Enter the second line of the address.

City: Enter the city.

State/Province: Enter the state or province.

Postal Code: Enter the postal code.

Country: Select the country from the drop-down list. If you do not, it is assumed that the country is the US.

Override Address: If you do not want to use the address entered in the [individual fields above \(for example, you wish to use a non-US or Canada address\)](#), enter the appropriate address and select the check box beside Use.

### Contact Information

This box in the New Company screen is provided so you can add a contact for a company while creating the company.

First Names: Enter the first name(s) of the contact in this company.

Last Name: Enter the last name of the contact.

[Title: Enter the title of the contact within the company.](#)

E-Mail: Enter the e-mail address of the contact.

Work Phone: Enter the office phone number. Enter the extension number in the adjacent box.

Home Phone/Cell Phone: Enter the respective phone numbers.

Profile: Enter relevant information about the contact not addressed in any of the fields above.

After all the required information has been entered, click **Save Changes**. You see the message ***Company Added***.

#### 4.1.4 How do I Add a Contact to an Existing Company?

1. Click on the **Companies** link.
2. Click on the name of the Company in the Recently Viewed sidebar box or when you have done a search for the company and it appears in the Search Results box. You now see the Company Details screen (See Figure 8).
3. Click **New** under the list of contacts in the Contacts table. This shows you the New Contact for <Company Name> screen (See Figure 21). The top bar of this screen shows you the name of the company for which you are adding the contact.
4. Enter contact details in Contact Information and Home Address. For more information, see the Add New Contact table in 7.2.1 Adding a New Contact from the Company Details screen.
5. Click **Add Contact**. You see the message ***Contact Added***.

#### 4.1.4.1 About the Edit Address check box

If you select the Enter New or Edit Existing Address check box beside the Business Address field in the New Contact for <Company Name> screen and click **Add Contact**, you see the Edit Contact Address screen (See Figure 7).

You can do the following from the Edit Contact Address screen:

In the This Address Is Also Used By box:

Edit the company's primary address: Click the link beside Primary Address.

Edit the address beside the name of the contact: Click on the contact's name to reach the Contact Details screen and click **Edit** to edit the address.

In the Use Alternate Address box:

Select an alternate company address from one of those given in the list: Click on the radio button beside the address.

In the Create New Address box?

Create a new address: Select the check box beside Create a New Address.

**NOTE:** If you edit or delete the existing address, it would result in a changed address for all the companies and contacts associated with this address.

In the Edit Address box:

Edit the current address for this contact: Go to the Edit Address box, and enter details as appropriate.

Select the Use check box beside Address Body to use the edited address.

Click **Save Changes** to save the edited address. You see the message **Changes Saved**.

Click **Delete Address** to delete the address.

#### 4.1.5 Recently Viewed

When you click the **Companies** link, you will see the Recently Viewed sidebar box on the right of the screen. This contains the list of companies that have been viewed recently.

Click on a company name to view the details of that company.

#### **4.1.6 Viewing Company Details**

You can view company details when you:

- Search for a company and click on the company name in the Search Results table.

Or

- Select a company from the Recently Viewed box that is on the sidebar of the Companies screen.

All the details of the company that have been provided are displayed. The date the company was created and the date on which the most recent update was made are also shown.

Figure 8: Company Details Screen

**NOTE:** If a Division is created, the Company Details screen contains the Restrict By Division drop-down list so you can select the division for which you wish to view details.

Select a division to view its details in the <Company Name> <Division Name> screen. This is the same as the Company Details screen with an additional **Administer Division** button. If you click this button, you see the Edit Division screen where you can change details of the division. For details, see Chapter 6 Divisions.

You can add, edit, or delete company information using the following buttons: Edit, Admin, Clone, Addresses, and Divisions.

See Chapter 5 Working with the Company Screen Buttons for details about how these buttons are used.

## 5 Working with the Company Screen Buttons

This chapter explains the features of the buttons in the Company Details screen. The buttons are: Edit, Admin, Clone, Mail Merge, Addresses, and Divisions. Detailed information about Divisions is provided in Chapter 6 Divisions.

### 5.1 Modify Company Information (Edit)

With the Edit button, you can edit company information such as company name, CRM status, telephone numbers, URLs, and so on.

Click **Edit** in the Company Details screen (See Figure 8) to see the Edit Profile screen.

#### Edit Profile

The fields in the Edit Profile screen are similar to the New Company screen (See Figure 6). The only new field in this screen is Rating. There is also an additional Edit Former Names button (For details, see 5.1.1). The boxes–Address and Contact Information–are not present in this screen.

Select the company rating from the options in the Rating drop-down list.

After you make the required changes, click **Save Changes**.

The message **Changes saved** is displayed.

#### 5.1.1 Edit Former Names

This feature helps you keep track of previous names of a company. It is particularly relevant when a company name changes in cases such as a merger or acquisition or for other reasons.

Click **Edit Former Names** in the Edit Profile screen of a company to go to the Former Names screen where you can enter the previous name of the company.

International Investment Group - Former Names

Home • Activities • Companies • Contacts • Campaigns • Opportunities • Cases • Files • Reports • Administration • Preferences

Former Names	
Company	International Investment Group
Former Names	
Former Name	Wenstar Group

Add Former Name

Figure 9: Former Names

Enter the following details:

Company: Displays the present name of the company.

Former Names: Displays the former names (if any) of the company that have been added by the user. Click **(Delete)** beside the former name to delete it.

Former Name: Enter the former name of the company.

Click **Add Former Name** to save and add the former name.

## 5.2 Change Credit-worthiness Details (Admin)

Details that can be changed here are: Account Status, Tax ID, Credit Limit, Rating, Terms, Customer Key, and Vendor Key.

To reach the Admin screen, click **Admin** in the Company Details screen (See Figure 8). The Admin screen is displayed.

The screenshot shows the XRMS Open Source CRM interface. At the top right, it says 'Logged in as: user1 • Logout'. The main header is 'International Investment Group - Admin'. Below this is a navigation bar with links: Home • Activities • Companies • Contacts • Campaigns • Opportunities • Cases • Files • Reports • Administration • Preferences. The main content area is titled 'Edit Account Information' and contains the following fields:

- Account Status: A dropdown menu with 'Approved' selected.
- Tax ID: A text input field.
- Credit Limit: A text input field with '1,000,000' entered.
- Rating: A dropdown menu with 'Good' selected.
- Terms: A text input field with '30' entered, followed by 'Days'.
- Customer Key: A text input field.
- Vendor Key: A text input field.

Below the fields is a 'Save Changes' button. Underneath that is a section titled 'Delete Company' with the text: 'Click the button below to remove this company (and all associated contacts, activities, opportunities, cases, etc.) from the system.' and a 'Delete Company' button.

Figure 10: Admin Screen

### Edit Account Information

Account Status: Select the appropriate account status from the drop-down list.

Tax ID: Enter the Federal Tax ID of the company in the box provided.

Credit Limit: Enter the credit limit in figures. The credit limit will be in the currency corresponding to the country specified in the address field.

Rating: Select appropriate company rating from the options in the drop-down list.

Terms: The default credit period set in the software. Enter the number of days in the box provided.

Customer Key: Unique number for a company that can be added and modified by any user. Enter the customer key number in the box provided.

**Vendor Key:** This is a unique field that users can add or modify. Enter the vendor key number in the box provided.

After you have entered all the required information, click **Save Changes** to save the edited account information. The message **Changes saved** is displayed.

### Delete Company Details

To delete company details and other related information associated with it, click **Delete Company** in the Delete Company box of the Admin screen.

## 5.3 Duplicate Company Details (Clone)

You can create an exact copy of the details of any company that currently exists. This feature is used when a single company has several entities that provide different services from the same location under different names.

To clone the details of a company, click **Clone** in the Company Details screen (See Figure 8).

You are taken to the New Company screen that displays all the information of the company that you are cloning. For details of the fields, see Figure 6: New Company Screen.

The Company Name and Legal Name fields both have the words “Copy of” prefixed to the company name and legal name.

Enter details as appropriate and click **Save Changes** to create a new company based on information of the existing company. You see the message **Company Added**. The clone of this company is known by the name Copy of <Company>.

## 5.4 Send E-mails to Contacts (Mail Merge)

You can send e-mails to company contacts using standard templates or custom templates. If you select the blank template, you need to enter the entire text of the e-mail. Other templates contain pre-written text that you can alter according to your needs.

The screenshot shows the 'Bulk E-Mail' interface. At the top right, it says 'XRMS Open Source CRM' and 'Logged in as: user1 • Logout'. Below the navigation bar, the 'E-Mail Templates' section is active. It contains a table with the following templates:

	Template
<input type="radio"/>	<a href="#">Blank Template</a>
<input checked="" type="radio"/>	<a href="#">Customer Service Inquiry</a>
<input type="radio"/>	<a href="#">Introduction</a>
<input type="radio"/>	<a href="#">Sales Pitch</a>
<input type="radio"/>	<a href="#">Thanks for Your Business</a>

At the bottom of the template list is a 'Continue' button.

Figure 11: Mail Merge – Bulk E-Mail Screen

The procedure to use mail merge is as follows:

1. Click **Mail Merge** under the Contacts box in the Company Details screen to see the Mail Merge – Bulk E-Mail screen (See Figure 11).
2. To select the appropriate template for the mail to be sent, click on the radio button beside it.
3. Click **Continue** to see the Edit Message screen.

The screenshot shows the 'Edit Message' interface in the XRMS Open Source CRM. At the top right, it says 'Logged in as: user1' with a 'Logout' link. A navigation bar includes links like Home, Activities, Companies, Contacts, Campaigns, Opportunities, Cases, Files, Reports, Administration, and Preferences. The main title is 'Edit Message - Customer Service Inquiry'. The form contains fields for 'From' (eboyer@interninv.com), 'Subject' (Customer Service Inquiry), and a large text area for the message body. The body text is: 'Dear, We would like to enquire whether you have received our email regarding the new investments in Cash Rich Computers. Regards, Elizabeth Boyer'. Below the text area is an 'Attachments' section with a 'Browse...' button and an 'Add' button. At the bottom of the form are three buttons: 'Continue', 'Update Template', and 'Save as New Template'.

Figure 12: Edit Message

4. Enter the e-mail address of the sender in From: (A valid e-mail address should be entered in the From field).
5. The Subject field automatically displays the subject matter of the e-mail according to the selected template.
6. Enter the content of the mail according to your requirement in the body of the mail.
7. In the Attachments field, click **Browse** to select a file. Click **Add** to add the attachment to the message. **[[Just an assumption]] 'Add' does not work in our version.**

You can now:

Click **Update Template** if you entered or added some text in the template. You see the message Changes saved.

Click **Save as New Template** if you want to save the template with a new name. For this, first enter a name for the new template or edit the existing name in the Subject field. You can now see the new template in the Mail Merge – Bulk E-Mail screen.

8. Click **Continue** to view the Confirm Recipients screen.

10. Click **Continue** again to see the Messages Sent screen that confirms that the message has been sent.

## 5.5 Addresses

In XRMS, each company can have several addresses, for example, Primary Default, Shipping Default, and Payment Default. Addresses need to be added, edited, and removed when required.

### 5.5.1 Adding a Company Address

To add new addresses for a company, click **Addresses** in the Company Details screen (See Figure 8). The <Company> Addresses screen is displayed.

Figure 14: &lt;Company&gt; Addresses Screen

To add a new company address:

1. Click **New Address** in the Add New Address sidebar box. You see the New Business Address screen.

The screenshot shows the 'New Business Address' screen in the XRMS Open Source CRM. The page has a header with the XRMS logo and 'Open Source CRM'. A navigation bar at the top lists various modules: Home, Activities, Companies, Contacts, Campaigns, Opportunities, Cases, Files, Reports, Administration, and Preferences. The main form is titled 'New Business Address' and contains the following fields:

- Company:** International Investment Group
- Address Name:** New York 123 Fifth Ave
- Line 1:** 123 Fifth Avenue
- Line 2:** (empty)
- City:** New York
- State/Province:** (empty)
- Postal Code:** (empty)
- Country:** United States (dropdown)
- Address Type:** commercial (dropdown)
- Use Non-Standard Address:** (checkbox, unchecked)
- Non-Standard Address:** International Investment Group  
34, Rue du Lac  
Paris  
France
- AddrGUID:** (empty)
- Source:** (empty)
- congruid:** (empty)

At the bottom of the form are two buttons: 'Create' and 'Return to List'.

Figure 15: New Business Address Screen

2. Enter details, as required, in the appropriate fields (See the Address table in 4.1.3 Company Options for information on how to enter address details).
3. The additional fields in this screen are:

Company: Displays the company name with which the contact is associated.

Address Type: Select the address type from the options in the drop-down list.

Use Non-Standard Address: Select the check box to use the non-standard address.

Non-Standard Address: Enter the non-standard address in the box provided next to the field. [\[\[What is a non-standard address???\]\]](#)

AddrGUID: [\[\[Description reqd\]\]](#)

Source: [\[\[Description reqd\]\]](#)

congruid: [\[\[Description reqd\]\]](#)

You can now:

Click **Create** to create a new business address for the contact.

Click **Return to List** to return to the <Company> Addresses screen.

### 5.5.2 Searching for a Company Address

To search for a company address, click **Addresses** in the Company Details screen. You see the <Company> Addresses screen (See Figure 14).

#### Search Addresses

In the Search Addresses box, enter any of the following details:

Street: Enter the street details.
City: Enter the name of the city.
Postcode: Enter the postal code.
State/Province: Enter the name of the state or province.
Country: Select the name of the country from the options in the drop-down list.

You can now:

Click **Search Addresses** to search for the address based on the given search criteria.

#### Addresses

The Addresses table displays the results of the search (See the Addresses table in Figure 14: <Company> Addresses Screen).

You can also:

Click **Hide** to hide the Addresses table.

### 5.5.3 Viewing and Editing a Company Address

To view a company address:

1. Enter search criteria in the Search Addresses box of the <Company> Addresses screen and click **Search Addresses**.
2. Select the required address from the column Address Name in the Addresses table to view the address details.

To edit a company address:

1. Click **Addresses** in the Company Details screen to see the <Company> Addresses screen (See Figure 14).
2. Click on the required address in the Address Name column of the Addresses table to see the Edit Business Address screen which is similar to Figure 15: New Business Address Screen. The only difference is that you have the Update button in place of the Create button.
3. Make the necessary changes to the fields.

You can now:

Click **Update** to update and save the edited address details.

Click **Return to List** to return to the <Company> Addresses screen.

#### 5.5.4 Entering a Default Company Address

Each company can have several addresses. Each address has its own significance – for example, one address could be the Primary address where communication is made; others could be used mainly for shipping, billing and the like. This is why several default addresses can be assigned.

To enter a default address:

1. Click **Addresses** in the Company Details screen to see the <Company> Addresses screen (See Figure 14).
2. In the Addresses table, select the appropriate radio button next to the relevant address in the Formatted Address column. This is to specify a default address for one of the default address types (Primary Default, Billing Default, Shipping Default, and Payment Default).

Addresses <span>Hide</span>						
Page 1/1 (2 records found)						
Address Name 	Used By Contacts	Formatted Address	Primary Default	Billing Default	Shipping Default	Payment Default
<a href="#">International Investment Group</a>	<a href="#">Elizabeth Boyer</a> <a href="#">Tony Walls</a> <a href="#">Diane Marsh</a> <a href="#">Xavier Massie</a>	International Investment Group 42 Rue du Lac Zurich Switzerland	<input checked="" type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>

<div> <span>Save Defaults</span> <span>Back To Company</span> </div>						

Figure 16: Address Defaults Screen

You can now:

Click **Save Defaults** at the bottom of the Addresses table to save the default address for a specific default address type. You see the message **Changes saved**.

Click **Back To Company** to return to the Company Details screen.

## 6 Divisions

You are often faced with the need to create a division within a company and perhaps remove it later on. XRMS features allow you to create, edit, and remove company division details.

### 6.1 Creating a Division

To add a division to a company, follow the procedure below.

1. In the Company Details screen (See Figure 8), click **Divisions**. You now see a screen with the title New Division where you can enter appropriate details.

The screenshot shows the 'New Division' form in the XRMS Open Source CRM. The form is titled 'New Division' and is part of the 'International Investment Group - Divisions' section. It contains fields for 'Company' (International Investment Group), 'Division Name' (Mutual Funds Division), 'Address' (International Investment Group), and 'Division Description' (Handles mutual funds for the group). There is an 'Add' button at the bottom left. The top right shows the user is logged in as 'user1' with a 'Logout' link. A navigation bar at the top lists: Home, Activities, Companies, Contacts, Campaigns, Opportunities, Cases, Files, Reports, Administration, and Preferences.

Figure 17: New Division

2. Enter the following fields:

**Company:** Displays the name of the company where you are adding a division.

**Division Name:** Enter the name of the division.

**Address:** Select the address from the drop-down list. Click **Add/Edit Addresses** if you wish to add or edit an address. You see the <Company> Addresses screen (See Figure 14) where you can search and find an existing address or create a new address. For details, see 7.3.2.1 Choose New Address. The Update button is replaced with two additional buttons in this screen: Click **Save Defaults** to save the default address of the company or click **Back To Company** to return to the Company Details screen.

**Division Description:** Enter a description about the division here.

3. When you have added details of the new division, click **Add** to save details of the new division. You see the message **Division Added**. The Divisions table of the New Division screen displays the details of the division you added.
4. When you wish to view a division of this company, click **Divisions** in the Company Details screen. In the Divisions table (See Figure 18) of the New

Division screen, click the required division in the Name column to view its details.

## 6.2 Editing Division Details

To edit a division:

1. Click **Divisions** in the Company Details screen (See Figure 8). You then see the New Division screen with the names of different divisions and their descriptions in the Division table.

Divisions	
Name	Description
<a href="#">Mutual Funds Division</a>	Handles mutual funds for the group.

Figure 18: Divisions Table

2. Click on the name of the division you wish to edit to reach the Edit Division screen.

Figure 19: Edit Division

3. Make necessary changes to the Division Name, Address, or Description fields as required.
4. You can now:

Click **Save Changes** to save the edits you made. You see the message **Changes saved**.

Click **Delete Division** to remove details of this division.

## 7 Managing Contacts

Contacts are organizations and individuals within those organizations with whom your organization has a business relationship. **Contacts include institutional customers, private clients, or anyone who might work for the selected company or who has an important relationship with these contacts or with a company in XRMS. In the case of High Net Worth clients, the company may represent a family, a family office, or a trust. The contacts in such a company are the family members.**

Click **Contacts** on the top bar of any XRMS screen to reach the Contacts screen.

Figure 20: Contacts Screen

## 7.1 Search for Contacts

You can search for a contact based on any of the criteria that follow (See the Search Criteria box in Figure 20: Contacts Screen).

### Search Criteria

Enter any of the following fields:

Last Name: Enter the last name of the contact.

First Names: Enter the first name(s) of the contact.

Company: Enter the name (partial or full name) of the company where the contact works.

Email: Enter the e-mail address of the contact.

Phone: Enter the telephone number of the contact.

Title: Enter the title of the contact within the company.

Description: What is typically mentioned here????

Owner: Choose the employee assigned to establish a relationship with the company from the drop-down list.

Category: Choose the category of this contact from the drop-down list.

Saved Searches: Searches that are saved are shown in the drop-down list. If you enter a Search Title in the box provided, the search is saved. If you select an item from the drop-down list and click **Delete**, this search is removed.

Search Title: Enter the title of the search if you wish to save this search.

Add to Everyone: Select this check box to add this search to all your contacts.

Click **Search** to find the required contacts.

Click **Clear Search** to clear all the fields so that you can enter new information.

### Search Results

The contacts that meet the specified search criteria are filtered by XRMS and displayed in the Search Results table. This is shown at the bottom of the Search Criteria table in the Contacts screen (See the Search Results table in Figure 20: Contacts Screen).

You can now choose to:

Select Column Layouts (allows you to select which data columns from the list of names in the Available Columns box should be displayed).

Mail Merge (Send the same e-mail to a list of e-mail ids).

Snail Mail Merge (send the same mail to all contacts within the selected companies).

For more details on these features, see 4.1.2 Search Results.

### Recently Viewed

This window lists the contacts of different companies that have been viewed recently.

## 7.2 Adding a New Contact

Details of contacts that need to be maintained are: name, address, telephone number, fax number, title, division, and any other relevant information.

You can add a new contact:

From the Company Details screen

From the Contacts screen

### 7.2.1 Adding a New Contact from the Company Details screen

1. Click on a company name in the Recently Viewed sidebar box to see the Company Details screen.

Alternatively, you can search from the Companies>Company Search screen and select the company from the Search Results table to get to the Company Details screen.

2. Go to the Contacts table in the Company Details screen.
3. Click **New** under the Contacts table to see the New Contact for <Company Name> screen. The name of the company to which the contact is added is displayed on the title bar of the screen.

*Figure 21: New Contact for <Company Name> Screen*

### Add New Contact

Enter the following fields:

Under Home Address:

Address Name: [Enter the name that should appear in address selection lists.](#)

Line 1 and Line 2: Enter the address details of the contact.

City: Enter the city name.

State/Province: Enter the state or province.

Postal Code: Enter the postal code.

Country: Select the country from the options in the drop-down list.

Address Type: Select the address type from the drop-down list.

Address Body: Enter the full address. Select the Use check box to use this address.

Under Contact Information:

Salutation: Choose the salutation from the drop-down list.

First Names: Enter the first name(s) of the contact.

Last Name: Enter the last name of the contact.

[Title: Enter the title of the contact within the company.](#)

[Company: Displays the name of the company where you are adding the contact.](#)

Division: Choose the appropriate division from the drop-down list.

Business Address: Choose the appropriate address from the drop-down list.

Enter New or Edit Existing Address: Select the check box to enter another address or to make changes to the present address. See 4.1.4.1 About the Edit Address check box for information on how to edit the address.

E-Mail: Enter the e-mail address of the contact.

Work Phone: Enter the office phone number. Enter the extension number in the adjacent box.

Cell/Home Phone: Enter the respective phone numbers.

Fax: Enter the fax number of the contact.

Summary: Enter a brief description of the activity.

Description: Enter a brief note about the contact.

Gender: Choose from the drop-down list.

Interests: Mention the contact's professional interests here.

Profile: Enter relevant information about the contact not addressed in any of the fields above.

Click **Add Contact** to save the information you have added.

You see the message **Contact Added**.

## 7.2.2 Adding a New Contact from the Contacts screen

1. Click the **Contacts** link on the top bar of any XRMS screen to reach the Contacts screen (See Figure 20).
2. In the Contact Options sidebar of the Contacts screen, click **New Contact** to see the Search for a company screen.

Figure 22: New Contact - Search for a Company Screen 1

3. Enter the company search criteria in Company.

You can now:

Click **Cancel** if you want to cancel the search.

Click **Search** to find the company based on the search criteria. You see the Select a Company or Create a New Company screen.

Figure 23: New Contact- Search for a Company Screen 2

4. Select the appropriate company from the options in the Company drop-down list if it is an existing company.

(Alternatively, click the **New Company** link on the title bar to create a new company. You will see the New Company screen (See Figure 6). Enter details as described in Company Information, Address, and Contact Information under this figure.

When all the required information has been entered, click **Save Changes**. You see the Company Details screen with the message **Company Added**. To add a contact, follow the procedure described in the section 7.2.1 Adding a New Contact from the Company Details screen).

You can now:

Click **Cancel** if you want to cancel the search.

Click **Select** to select the company. You now see the New Contact for <Company Name> screen (See Figure 21).

5. Enter the details in the fields as described in the Add New Contact table in 7.2.1 Adding a New Contact from the Company Details screen.

6. Click **Add Contact** to save the information you have added.

You see the message ***Contact Added.***

## 7.3 Viewing Contact Details

To view details of a contact:

Click the **Contacts** link on the top bar to see the Contacts screen. Enter details in the Search Criteria box and click **Search**. Click on the contact's name in the Name column of the Search Results table to view the contact details.

Alternatively, click on the contact name if it exists in the Recently Viewed sidebar box.

Both the above will take you to the Contact Details screen.

Save Mail Merge Delete Transfer

Figure 25: Edit Contact Information Screen

2. The Edit Contact Information screen is similar to the New Contact for <Company Name> screen (See Figure 21). Enter the details to be modified or added. You can change details as described in the Add New Contact table in 7.2.1 Adding a New Contact from the Company Details screen.

The additional fields in the Edit Contact Details screen are described in the box that follows.

**Company:** Displays the company name with which the contact is associated.

**Business Address:** Displays the address entered by the user. You can also click **Choose New Address** to select a new business address. Alternatively, you can click **Edit Address** to edit an existing business address. For details, see 7.3.2 Editing an Address.

**Home Address:** Displays the address entered by the user. You can also click **Add New Address** to create a new home address. Alternatively, you can click **Edit Address** to edit an existing home address. For details, see 7.3.2 Editing an Address.

3. You can now:

Click **Save** to save the changes you made. You see the message **Changes saved.**

Click **Mail Merge** to send e-mail to several contacts. See Send E-mails to Contacts (Mail Merge) for more details.

Click **Delete** to delete this contact and all associated details.

Click **Transfer** to transfer details of this contact to another company. The details of this feature are explained in 7.3.1.1.

### 7.3.1.1 To Transfer Contact Details to Another Company

The **Transfer** button helps in transferring details of a contact to another company.

1. Click **Transfer** in the Edit Contact Information screen (See Figure 25) to see the Transfer to Another Company screen 1.

Figure 26: Transfer to Another Company Screen 1

2. Enter the search criteria (company name or id) in the Search for Company box.
3. Click **Search** to see the Transfer to Another Company screen 2. The Transfer to Another Company drop-down list displays the search results based on the given search criteria.

Figure 27: Transfer to Another Company Screen 2

4. Select the appropriate company name or id (where you want to transfer the contact details to) from the drop-down list.
5. Click **More Info** to view the company details of the selected company.
6. Click **Save** to save details of the contact's transfer and return to the <Company> Addresses screen (See Figure 14).
7. Click **Save and Update All Records** to save the updates and return to the <Company> Addresses screen.

### 7.3.2 Editing an Address

In the Edit Contact Information screen (See Figure 25), the Business Address and Home Address fields display the address entered by the user. You can also choose a new address, edit an existing address, or add a new address. The buttons in these fields that perform these functions are described in the following sections.

#### 7.3.2.1 Choose New Address

Click **Choose New Address** to select or create a new business address. You see the <Company> Addresses screen (See Figure 14). In this screen, you can search for an address, update the contact's address, or add a new address.

#### 7.3.2.2 Search Addresses

This helps you to search for an address based on the criteria entered in the fields.

Enter the search criteria as described under the Search Addresses section in 5.5.2 Searching for a Company Address.

#### 7.3.2.3 Addresses

The Addresses table displays the results of the search or the different addressed that have been created.

Addresses <span style="float: right;"><a href="#">Hide</a></span>			
Page 1/1 (2 records found)			
Address Name 	Used By Contacts	Formatted Address	Business Address
<a href="#">International Investment Group</a>	<a href="#">Elizabeth Boyer</a> <a href="#">Tony Walls</a> <a href="#">Diane Marsh</a> <a href="#">Xavier Massie</a>	International Investment Group 42 Rue du Lac Zurich Switzerland	<input type="radio"/>
<a href="#">International Investment Group</a>		80, Emerald Bay Westerly, MA 098756 United States	<input type="radio"/>
<a href="#">Update Contact</a>			

Figure 28: Addresses Table

1. Select the radio button in the Business Address column that corresponds to the required contact to associate the chosen address with the contact.
2. Click **Update Contact** to save the updated business address of the contact.

### 7.3.2.4 Add New Address

The New Address button enables you to create a new address. For details of the procedure, see 5.5.1 Adding a Company Address.

### 7.3.2.5 Edit Address

The Edit Address button exists for both (Business Address and Home Address) the fields.

1. Click **Edit Address** to edit an existing business or home address.

You see the Edit Business Address screen (if you click the Edit Address button alongside the Business Address field).

You see the Edit Home Address screen (if you click the Edit Address button alongside the Home Address field).

Both these screens are similar to the New Business Address screen (See Figure 15). The only difference is that you have the Update button in place of the Create button.

2. Edit details as required in the appropriate fields.

You can now:

Click **Update** to update and save the edited address details of the contact.

Click **Return to List** to return to the <Company> Addresses screen.

### 7.3.2.6 Add New Address

This helps you to create a new home address.

1. Click **Add New Address** to see the New Home Address screen. This is similar to Figure 15: New Business Address Screen.
2. For details of how to create a new home address, see 5.5.1 Adding a Company Address.

You can now:

Click **Create** to create a new home address for the contact.

Click **Return to List** to return to the <Company> Addresses screen.

## 7.4 Cloning Contact Details

The Clone feature in the Contact Details screen allows you to create an exact copy of the details of any contact that currently exists.

To clone contact details:

1. Click **Clone** in the Contact Details screen (See Figure 24).
2. You see the New Contact for <Company Name> screen that displays all the information of the contact that you are cloning. For details of the fields, see Figure 21.
3. Enter details as appropriate and click **Add Contact** to create a new contact based on the information of an existing contact.

## 8 Common Sidebar Elements

This chapter describes common elements in the sidebars of the details screens of Companies, Contacts, Campaigns, Opportunities, and Cases. The different sidebar elements present in these screens are indicated by check marks in the table.

Sidebar Elements	Company Details Screen	Contact Details Screen	Case, Opportunity, and Campaign Details Screens
Categories			
Opportunities			
Open Cases			
Relationships for Company			
Relationships for Contact			
Notes			
Files			
Former Companies			

## 8.1 Categories

Categories are custom fields that can be related to Companies, Contacts, Campaigns, and Cases. Categories are added and modified by the Administrator.

### 8.1.1 Managing Categories

To associate a category with a company, contact, campaign or case:

1. In the details screens of Companies, Contacts, Campaigns, or Cases, go to the Categories box on the sidebar.

Figure 29: Categories Sidebar Box

2. Click **Manage** to see the Manage Categories screen.

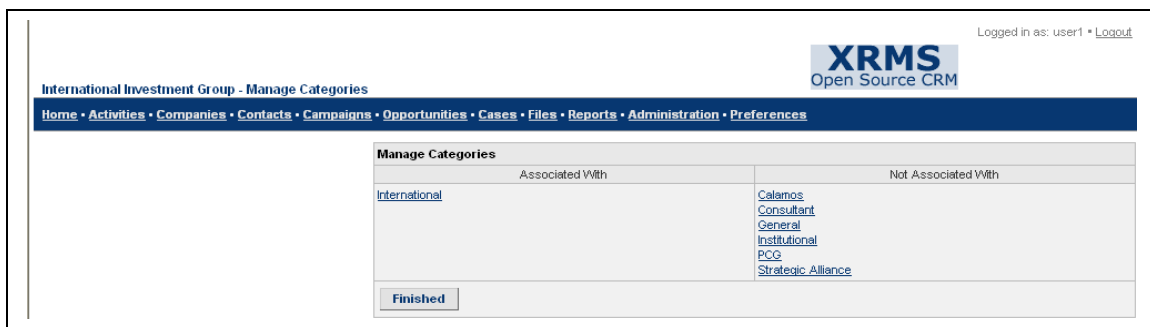

Figure 30: Manage Categories

3. To move an item from the Not Associated With column to the Associated With column, click on it.
4. Similarly, to move an item from the Associated With column to the Not Associated With column, click on it.
5. After you have completed moving the items to the respective columns, click **Finished**.

The Categories sidebar box displays the items in the Associated With column.

## 8.2 Opportunities

This box shows opportunities that are associated with the activities in the Open Activities table. This sidebar box is shown only in the Company and Contact Details screens.

Opportunities <a href="#">Hide</a>			
<a href="#">Opportunity</a> ▲	<a href="#">Type (G)</a>	<a href="#">Status (G)</a>	<a href="#">Close Date</a>
No matches			
<a href="#">Select Column Layouts</a>			
<a href="#">Sales Opportunity</a> ▼ <a href="#">New</a> <a href="#">Search</a>			

Figure 31: Opportunities Sidebar Box

Click on the opportunity name in the Opportunity column to view its details.

Click **Select Column Layouts**. For details, see 4.1.2.1.

Select the opportunity type from the drop-down list and click **New** to add a new opportunity according to the selected opportunity type. .

Click **Search** to look for opportunities of the selected type.

Click **Hide** to hide the Opportunities sidebar box.

See Chapter 11 Opportunities for details on how to add, modify, delete, and search for an opportunity.

## 8.3 Open Cases

This box shows open cases that are associated with activities in the Open Activities table. You see this sidebar box only in the Company Details and Contact Details screens.

Open Cases <a href="#">Hide</a>			
Page 1/1 (1 records found)			
<a href="#">Case</a> ▲	<a href="#">Priority (G)</a>	<a href="#">Type (G)</a>	<a href="#">Due</a>
<a href="#">Help001</a>	Critical	Help Item	2005-08-31
<a href="#">Select Column Layouts</a>			
<a href="#">Bug</a> ▼ <a href="#">New</a>			
<a href="#">Search</a>			

Figure 32: Open Cases Sidebar Box

Click on the case name in the Case column to view its details.

Click **Select Column Layouts**. For details, see 4.1.2.1.

Select a case type from the drop-down list and click **New** to add a new case according to the selected case type.

Click **Search** to look for cases of the selected type.

Click **Hide** to hide the Open Cases sidebar box.

See Chapter 10 Cases to learn how to add, modify, delete, and search for a case.

## 8.4 Relationships for Company

Company relationships are depicted in terms of one company's association with another company or contact. This sidebar box exists only in the Company and Contact Details screen. Typical associations of a company – Company A – are that it could be a consultant, vendor, subsidiary and so on of another company – Company B. There is a corresponding reverse association for Company B with Company A. Company B could be a client, buyer, or parent company.

Figure 33: Relationships for Company Sidebar Box

### 8.4.1 Adding a Relationship for Company

Company Relationships can be between two companies or between a company and a contact individual.

To add a new relationship for a company:

1. Click **New Relationship** in the Relationships for Company sidebar box (See Figure 33) of the Company or Contact Details screen. You see the Add Relationship for Company screen 1.
2. Choose the option that describes the relationship from the drop-down list. For example, if Company A acquired Company B, then select the option **acquired company** from the drop-down list.

Figure 34: Add Relationship for Company Screen 1

3. Enter the search criteria (company name or contact name) in the box adjacent to the relationship type field. In this case, you wish to identify the company that was acquired.
4. Click **Search** to see the Add Relationship for Company screen 2 where you can select the company or contact with which your organization has a relationship.

2. Choose the option that describes the relationship from the drop-down list. For example, if the contact (Contact A) is the partner of another contact (Contact B), select the option **partner of contact** from the drop-down list. Enter the name (first or last name) of the contact partner (Contact B) in the box adjacent to the contact relationship field.
3. If the relationship is between a contact individual and a company, choose the option that describes the relationship from the drop-down list. Enter the name of the company in the box adjacent to the contact relationship field.
4. Click **Search** to view the results of the search. You see the Add Relationship for Contact screen 2.

Figure 39: Add Relationship for Contact Screen 2

5. Select the appropriate contact or company from the options given in the drop-down list.
6. Click **More Info** to view details of this company or contact.
7. To ensure the relationship is saved, click **Add Relationship for Contact**.

### 8.5.2 Deleting a Relationship for a Contact

To delete a relationship for a contact:

1. Go to the Relationships for Contact sidebar box to view the list of relationships defined for various companies or contacts.
2. Click **Edit** beside the name of the company or contact that you wish to edit (See Figure 37: Relationships for Contact Sidebar Box). You will then see the Edit Association screen.

Figure 40: Relationships for Contact - Edit Association

3. Click **Unassociate** to delete the relationship.

## 8.6 Notes

The Notes box is on the sidebar of the details screen of a company, contact, case, campaign, and opportunity. The box displays the names of any notes that have been written on the activities.

Notes			
Attached To	Date	Owner

2. Enter the information you wish to record in the box under Note Body.
3. Click **Save Changes** to save the note. It is displayed in the Notes sidebar box along with other details of the note.

### 8.6.2 Viewing and Editing a Note

To view or edit a new note:

1. Click on the **View/Edit** link beside a particular note in the Notes sidebar box to view or edit details of the note. You now see the Edit Note screen with the text of the note. The Edit Note screen is similar to the Attach Note screen (See Figure 42) except that it has two buttons – **Save Changes** and **Delete**.
2. Make changes to the note as required.

3. Click **Save Changes** to save the edited note.

### 8.6.3 Deleting a Note

To delete a note:

1. Click on the **View/Edit** link beside a particular note in the Notes sidebar box. You see the Edit Note screen.
2. Click **Delete** to delete the note.

## 8.7 Files

The Files box is on the sidebar of the details screen of a company, contact, case, campaign, or opportunity. The box displays the names of files that have been recently uploaded.

Click on any filename to view files related to the activities on the Home screen.

To attach a file, click **New**.

See Chapter 13 Filesto learn how to add, modify, and delete a file.

## 8.8 Former Companies

The Former Companies box is on the sidebar of the Contact Details screen. This box shows the companies that the particular contact has been associated with previously.

Click **Hide** to hide the sidebar box.

## **SECTION 2 - MANAGING LEADS**

With X RMS you can manage different customer relationship aspects that are relevant to companies and contacts. Typical business enhancement activities identify potential business prospects, contact them, and keep track of likely buyers.

Within X RMS, these tasks are termed:

- Activities

- Cases

- Campaigns

- Opportunities

These are described in the sections that follow.

## 9 Activities

An attempt by an XRMS user to get in touch with a contact to maintain or increase business is known as an activity. Telephone calls, e-mails, or meetings are different types of activities. Activities have defined start and end dates measured in days. Users select the start date and end date from the pop-up calendar, or type them in the respective boxes provided.

Activities are linked to a company, contact, case, or opportunity.

### 9.1 Searching for an Activity

Click the **Activities** link on the top bar to see the Open Activities screen with the Search Criteria box.

The screenshot shows the 'Open Activities' screen in the XRMS Open Source CRM. At the top right, it says 'Logged in as: user1' with a 'Logout' link. Below the navigation bar, the 'Search Criteria' box is prominent. It has several sections: 'Summary' with a text input for 'Phone Call'; 'Contact' with a text input; 'Company' with a dropdown; 'Owner' with a dropdown showing 'user1'; 'Search By Date' with dropdowns for 'Scheduled End' and 'Before', and a date input '2005-08-30' with a calendar icon; 'Type' with a dropdown showing 'Phone Call'; 'Completed' with a dropdown showing 'All'; 'Saved Searches' with a text input and an 'Add to Everyone' checkbox; and a 'Search Title' section. At the bottom of the box are buttons for 'Search', 'Clear Search', and 'Advanced Search'.

Figure 44: Open Activities Screen- Search Criteria box

#### Search Criteria

Enter any of the following fields to search for an activity:

- Summary: Enter a brief description of the activity.
- Contact: Enter the name of the contact whose details you are searching for.
- Company: Choose the company from the drop-down list.
- Owner: Choose the employee assigned to establish a relationship with the company from the drop-down list.
- Search by Date: Select the date criteria from the options in the drop-down lists and click on the calendar icon to select the date.
- Type: Choose the type of activity from the drop-down list.
- Completed: Choose the status of the activity from this drop-down list.
- Saved Searches: Searches that are saved are shown in the drop-down list. If you enter a Search Title in the box provided, the search is saved. If you select an item from the drop-down list and click **Delete**, this search is removed.

Search Title: Enter the title of the search if you wish to save this search.

Add to Everyone: Select this check box to add this search to all your contacts.

Results View: Click on the appropriate radio button to view the search results in the Search Results table as a list or a calendar.

Click **Search** to find the relevant information. The Search Results table displays the results of the search according to the specified criteria.

Click **Clear Search** to clear all the fields so that you can enter new search values.

Click **Advanced Search** to search for activities with criteria (fields) not addressed in Search. For example: Contact Id, Company Id, Local Time, and so on.

### 9.1.1 Search Results

The activities that meet the specified search criteria are filtered by XRMS and displayed in the Search Results table.

Search Results											
Page 1/1362 (20429 records found)											
1 < << 1 2 3 4 5 6 7 8 9 10 ... >> >1

	Client Review	Diane Marsh	To Do			2010-09-27	2010-09-27	International Investment Group	mthielen	Help001	
<a href="#">Select Column Layouts</a> <a href="#">Calendar View</a> <a href="#">Export</a> <a href="#">Mail Merge</a> <a href="#">Browse</a>											

Figure 45: Search Results – Activities

Click on the item in the Summary column that corresponds to the activity that you wish to view.

You can also:

Click **Hide** to hide the Search Results table.

Click **Select Column Layouts**. For details, see 4.1.2.1.

Click **Export** to export the data in the Search Results table to a Microsoft Excel comma separated values (CSV) file that you can open or save to your computer.

Click **Mail Merge**. For details, see 4.1.2.2.

Click **Browse** to go to the Activity Details screen of the first activity in the Search Results list. This screen is similar to Figure 46: Activity Details Screen except that it has the Save and Next button instead of the Schedule Followup button. Click **Save and Next** to view the details of each activity in the order of their listing in the Search Results table.

**NOTE:** When you click **Browse**, you see the page number that you are viewing and the total number of pages that were retrieved by the search in the space adjacent to the title About This Activity. For example: (1/120). To view a particular page, click on any numeric in the number of pages retrieved (for example, 1) to see the Explorer User Prompt screen. Enter the page number that you wish to view in the blank text box and click **OK**. You are then directed to that page.

Click **Calendar View** to see activities for a given week or month. For more information on this button, see 9.1.1.1 Calendar View.

### 9.1.1.1 Calendar View

The calendar view feature displays the search results in a calendar format. Search results however, are displayed in the form of a list by default.

Click **Calendar View** in the Search Results table. The activities for a month are shown as the default. For more details, see information in the Month View bullet.

The other buttons are:

Click **List View** to see the default list display of the activities.

Click **Week View** to see a weekly display of activities. By default, it displays the days of the current week. The column on the extreme left displays the time intervals.

You can also:

Click **Previous Week** to display the previous week.

Click **Next Week** to display the next week.

Click **Month View** to see a monthly display of activities. This is the default display for the Calendar View feature and shows the calendar of the current month in the current year. There are two buttons at the top of the calendar:

The button on the left displays the previous month of the current year. Click on the button to view the previous month's calendar.

The button on the right displays the next month of the current year. Click on the button to view the next month's calendar.

Click **Iconic View** to

Click **Normal View** to

## 9.2 Viewing, Modifying, and Deleting Activity Details

In the Search Results screen, click on the item in the Summary column that corresponds to the activity that you wish to view. You will see the Activity Details screen.

The screenshot shows the 'Activity Details: Phone Call' screen in the XRMS Open Source CRM. The top navigation bar includes links for Home, Activities, Companies, Contacts, Campaigns, Opportunities, Cases, Files, Teams, Reports, Administration, and Preferences. The user is logged in as 'user1'.

Buttons: [Save Changes](#), [Schedule Followup](#), [Create Recurrence](#), [Delete](#)

Figure 46: Activity Details Screen

You can modify activity details, indicate that an activity has been completed, schedule a follow up, create a recurrence of the activity, or delete an activity from the Activity Details screen.

Click **Save Changes** to save the updates you made to the activity.

Click **Delete** to remove details of the activity.

Click **Schedule Followup** to arrange for a follow up of the activity.

For details on the **Create Recurrence** button, see 9.2.1.

## 9.2.1 Create Recurrence

The Create Recurrence button helps in creating a recurrence of the activity.

Click **Create Recurrence** to see the Activity Recurrence screen.

The screenshot displays the 'Activity Recurrence' screen in the XRMS Open Source CRM. The page has a header with the XRMS logo and 'Open Source CRM' text, and a user login status 'Logged in as: user1 • Logout'. A navigation bar at the top lists various modules: Home, Activities, Companies, Contacts, Campaigns, Opportunities, Cases, Files, Reports, Administration, and Preferences. The main content area is titled 'Recurring Activity' and is divided into two main sections: 'Recurring Activity' and 'Recurrence Range'.

The 'Recurring Activity' section includes a 'Period' column and a 'Frequency' column. The 'Period' column has radio buttons for 'Daily', 'Weekly', 'Monthly', and 'Yearly'. The 'Frequency' column has input fields for 'Every' followed by a number and a unit (day(s), week(s), month(s), or year(s)). Below these are radio buttons for different recurrence patterns: 'all days of week', 'business days only', 'Sun Mon Tue Wed Thu Fri Sat' (with checkboxes), 'Recur on the [ ] day of the month', 'Recur on the [ ] business day of the month', 'Recur on the [ ] Sunday of the month', 'Recur on the [ ] day of January', 'Recur on the [ ] business day of January', 'Recur on the [ ] Sunday of January', and 'Recur on the [ ] day of the year'.

The 'Recurrence Range' section includes radio buttons for 'Ends' (End After, End on) and a date field. The 'End on' field is currently set to '2010-08-31'. At the bottom of the form is a button labeled 'Add New Recurring Activity'.

Figure 47: Activity Recurrence

1. Enter a number in the box preceding day(s), week(s), month(s), or occurrence(s) as applicable. Select the appropriate radio button to select the frequency of recurrence from the options in **Recurring Activity**.
2. Click on the appropriate radio button to select the end period of the occurrence from the options in **Recurrence Range**.
3. Click **Add New Recurring Activity** to create the recurrence of the activity. You see the message **Recurring Activities successfully added**.

## 9.2.2 Activity Participants

The Activity Participants sidebar box of the Activity Details screen shows the names of contacts that are assigned to this activity. You can view details of an activity participant, add a new participant, remove an existing participant, or send e-mails to company

contacts using the mail merge option from this box. For details on Mail Merge, see Send E-mails to Contacts (Mail Merge).

Activity Participants		
Name	Position	Action
<a href="#">Elizabeth Boyer</a>	Participant	<a href="#">Remove</a>
<input type="button" value="Add New Participant"/>		<input type="button" value="Mail Merge"/>

Figure 48: Activity Participants Sidebar Box

### 9.2.2.1 Adding an Activity Participant

To add a participant:

1. Click **Add New Participant** in the Activity Participants sidebar box to see the Activity Participant screen.

Activity Participant

Home • Activities • Companies • Contacts • Campaigns • Opportunities • Cases • Files • Reports • Administration • Preferences

SRMS Open Source CRM

Logged in as: user1 • [Logout](#)

Activity Participant

Contact Search: Boyer

Position: Participant

Activity: Phone Call

Figure 49: Activity Participant Screen

2. Enter the following:

Contact Search: Enter the name (first or last name) of the contact whose details you want to view.

Position: Choose the role or position of the contact in the activity from the drop-down list.

Activity: This column automatically displays the activity associated with the contact.

You can now:

Click **Cancel** to cancel the search.

Click **Search for Contact** to find the person that needs to be involved in the activity based on the search criteria.

3. When you click **Search for Contact**, you see the Activity Participant Contact screen. Select the appropriate contact to be added to the activity from the options in the Contact Search drop-down list.

You can now:

Click **Add Contact to Activity** to add the activity participant.

Click **Cancel** to cancel the search.

### 9.2.2.2 Removing an Activity Participant

Click **Remove** beside the participant name in the Activity Participants sidebar box.

## 9.3 Adding a New Activity

Activities can be linked to a specific case, opportunity, contact, or company. To add an activity:

Click on the name of the case, opportunity, contact, or company.

Click the **Activities** link on the top bar.

### 9.3.1 To add an activity from the Activities box under a case, opportunity, contact, or company

Click on the name of the case, opportunity, contact, or company from the Recently Viewed sidebar box to see the details screen of any of the respective links.

New Activity				
Summary	User	Type	Contact	Scheduled End
To Do	Thielen, Ma	Client Review	Diane Mars	2005-08-31 11:24:22

Add Done

Figure 50: New Activity Table

1. In the New Activity table, enter the following details:

Summary: Enter a brief description of the activity.

User: Choose the employee assigned to establish a relationship with the company from the drop-down list.

Type: Choose the type of activity from the drop-down list.

Contact: Select the name of the contact to whom you want to add the activity from the drop-down list.

Scheduled End: Enter the date or click on the calendar icon to select the date by which the activity should be complete.

2. Click **Add** to save the activity details. You now see the Activity Details screen of the new activity that you added (See Figure 46).

### 9.3.2 To add a completed activity from the Activities box under a case, opportunity, contact, or company

Click on the name of the case, opportunity, contact, or company from the Recently Viewed sidebar box to see the details screen of any of the respective links.

1. In the New Activity table (See Figure 50), enter the Summary, and select the User, Type, and Contact from the options in the corresponding drop-down lists.

2. Enter the scheduled completion date in Scheduled End or click on the calendar icon and select the date.
3. Click **Done**. The activity is now listed in the Activities table. However, the activity is shown in gray indicating that it has been completed. When you click on the summary corresponding to the activity, you see the Completed check box selected in the Activity Details screen (See Figure 46).

### 9.3.3 To add an activity from the Activities link on the top bar

1. Click the **Activities** link to see the Open Activities screen.
2. Enter search criteria to find the contact to which you wish to add an activity.
3. Click on the contact name to view the Contact Details screen as well as to add an activity and view existing activities.
4. In the New Activity table (See Figure 50), enter the Summary, and select the User, Type, and Contact from the options in the corresponding drop-down lists.
4. Enter the scheduled completion date in Scheduled End or click on the calendar icon and select the date.
5. Click **Add** to save details of this activity. The Activities table now shows the list of activities that have been added.
6. To add an activity that has already been done, click **Done**. The activity is now listed in the Activities table. However, the activity is shown in gray indicating that it has been done. When you click on the summary corresponding to the activity, you see the Completed check box selected in the Activity Details screen.

**NOTE:** Click the summary corresponding to the appropriate activity to see the Activity Details screen. Here you can add, modify, delete, save changes, schedule a follow up, or create a recurrence of the activity.

## 9.4 Completing an Activity

To signify that an activity has been completed:

1. Click the **Activities** link to search for the activity.
2. Enter the search criteria to find the appropriate activity. In the Search Results screen, click on the activity that has been completed.
3. In the Activity Details screen (See Figure 46), select the Completed check box.
4. Click **Save Changes**.

## 10 Cases

Cases are used to help with client support issues. Each case needs to be associated with a company and a contact within the company. If no contact is specified, XRM considers the assigned (default) contact for the company.

### 10.1 Searching for a Case

Click the **Cases** link to see the Search screen. You can also view cases that you have recently worked with in the Recently Viewed sidebar box.

Search Criteria			
Case Name	Case Number	Company	
<input type="text"/>	<input type="text"/>	<input type="text"/>

<input type="button" value="Search"/> <input type="button" value="Clear Search"/> <input type="button" value="Bulk E-Mail"/>			

Figure 51: Search Case Screen

#### Search Criteria

Enter any of the following fields to search for a case:

- Case Name: Name given to the case.
- Case Number: Internal number awarded to the case.
- Company: Enter the name of the company.
- Owner: Choose the employee assigned to establish a relationship with the company from the drop-down list.
- Category: Choose the category from the drop-down list.
- Type: Choose the type of the case from the drop-down list.
- Status: Choose the status of the case from the drop-down list.
- Saved Searches: Searches that are saved are shown in the drop-down list.
- Search Title: If you enter a search title in the box provided, the search is saved. If you select an item from the drop-down list and click **Delete**, this search is removed.
- Add to Everyone: Select this check box to add this search to all your contacts.

After entering all the information, click **Search** to get the required information.

Click **Clear Search** to clear the fields so that you can enter new search values.

Click **Bulk E-Mail** to send the same e-mail to different contacts. It is similar to the Mail Merge option. For details, see [Send E-mails to Contacts \(Mail Merge\)](#).

### 10.1.1 Search Results

The cases that meet the specified search criteria are filtered by XRMS and displayed in the Search Results table.

Search Results <a href="#">Hide</a>						
Page 1/1 (1 records found)

Enter the following to add a new case.

**Case Title:** Enter the title of the case, as it should be displayed.

**Division:** Select the division in the company where this case is applicable from the drop-down list.

**Contact:** Choose the name of the contact from the drop-down list.

**Type:** Choose the type of case from the drop-down list.

**Status:** Choose the status of the case from the drop-down list.

**Status Definitions:** [Click this link to see the status of the case.](#)

**[[Unable to see the screen!!!!!!!]] What are status definitions?**

**Priority:** Choose the priority of the case from the drop-down list.

**Owner:** Choose the employee assigned to establish a relationship with the company from the drop-down list.

**Due by:** Select the scheduled date for the completion of the case.

**Description:** Enter the description of the case.

## 11 Opportunities

Opportunities in XRMS are sales related. Opportunities need to be associated with a company and a contact within the company. If no contact is specified, XRMS considers the assigned (default) contact for the company.

### 11.1 Searching for an Opportunity

Click the **Opportunities** link to see the Search screen. You can also view opportunities that you have recently worked with in the Recently Viewed sidebar box.

Figure 55: Search Opportunities Screen

#### Search Criteria

Enter any of the following fields to search for an opportunity:

- Opportunity Name: Enter the name of the opportunity that you are searching.
- Company: Enter the name of the company.
- Campaigns: Select the campaign from the drop-down list.
- Type: Select the type of opportunity from the drop-down list.
- Owner: Choose the employee assigned to establish a relationship with the company from the drop-down list.
- Status: Choose the status of the opportunity from the drop-down list.
- Category: Choose the category from the drop-down list.
- Close Date: Click on the calendar icon to select the close date for the opportunity.
- Saved Searches: Searches that are saved are shown in the drop-down list.
- Search Title: If you enter a search title in the box provided, the search is saved. If you select an item from the drop-down list and click **Delete**, this search is removed.

Add to Everyone: Select this check box to add this search to all your contacts.

After entering all the information, click **Search**.

Click **Clear Search** to clear the fields so that you can enter new search values.

### 11.1.1 Search Results

The opportunities that meet the specified Search Criteria are filtered by XRMS and displayed in the Search Results table.

**(Unable to get to search results screen since opportunity details that we add are not being saved.)**

*Figure 56: Search Results – Opportunities*

## 11.2 Viewing, Updating, and Deleting an Opportunity

Click on the opportunity name in the Search Results – Opportunities screen to view details of the opportunity. Alternatively, click on the case name in the Recently Viewed sidebar box of the Opportunities screen or click on the appropriate opportunity name in the Opportunities sidebar box of the Company or Contact Details screen to see the Opportunity Details screen.

**(Unable to add opportunity and therefore cannot access Opportunity Details screen????)**

*Figure 57: Opportunity Details Screen*

Click **Edit** to make changes to opportunity details. You now see the Opportunity Details–Edit screen where you can make the necessary changes. This is similar to the New Opportunity screen (See ) except that it has the Company field and an additional Delete button.

You can now:

Click **Save Changes** to ensure changes are made in XRMS.

Click **Delete** to delete the opportunity.

### 11.3 Adding an Opportunity

Opportunities need to be associated with a company or a contact. For this reason, you can only add an opportunity from the Opportunities sidebar box in the Company Details or Contact Details screen. The procedure to add an opportunity is as follows:

	From Company Details screen	From Contact Details screen
1	Click the <b>Companies</b> link to see the Search screen.	Click the <b>Contacts</b> link to see the Search screen.
2	Enter criteria to search for a company if the company is not in the Recently Viewed sidebar box.	Enter criteria to search for a contact if the contact is not in the Recently Viewed sidebar box.
3	Click on the company name in the Search Results table to see the Company Details screen.  If the company is in Recently Viewed, click on the company name in the box to see the Company Details screen.	Click on the contact name in the Search Results table to see the Contact Details screen.  If the contact is in Recently Viewed, click on the contact name in the box to see the Contact Details screen.
4	In the Opportunities box, click <b>New</b> to see the New Opportunity screen (See ) where you can add an opportunity.	In the Opportunities box, click <b>New</b> to see the New Opportunity screen (See ) where you can add an opportunity.
5	Enter the opportunity details as described in the table that follows.	Enter the opportunity details as described in the table that follows.
6	Click <b>Save Changes</b> . You see the message <b><i>Opportunity Added.</i></b>	Click <b>Save Changes</b> . You see the message <b><i>Opportunity Added.</i></b>

Figure 59: Campaigns

69

## 12.1 Adding a Campaign

To add a campaign, click the **Add New Campaign** link in the Options sidebar box of the Campaigns screen. You see the New Campaign screen.

The screenshot shows the 'New Campaign' screen in the XRMS Open Source CRM. At the top right, it says 'Logged in as: user1' with a 'Logout' link. Below the header, there's a navigation bar with links: Home, Activities, Companies, Contacts, Campaigns, Opportunities, Cases, Files, Reports, Administration, and Preferences. The main form is titled 'Campaign Details' and contains the following fields:

- Campaign Title:** Email campaign Sep05 (with a red asterisk indicating a required field)
- Type:** E-Mail (dropdown menu)
- Status:** New (dropdown menu)
- Owner:** user1 (dropdown menu)
- Starts On:** 2005-09-02 (calendar icon)
- Ends On:** 2005-09-14 (calendar icon)
- Cost:** (empty text box)
- Description:** Email campaign to increase awareness of new initiatives planned for the year. (text area)

At the bottom of the form is a 'Save Changes' button.

Figure 60: New Campaign Screen

Enter the following fields to add a new campaign:

- Campaign Title: Enter the name of the campaign.
- Type: Choose the type of campaign from the drop-down list.
- Status: Choose the status from the drop-down list.
- Owner: Choose the employee assigned to establish a relationship with the company from the drop-down list.
- Starts On: Select the start date of the campaign from the calendar.
- Ends On: Select the end date of the campaign from the calendar.
- Cost: Enter the approximate cost of the campaign.
- Description: Enter a brief description about the campaign.

Click **Save Changes** to add the new campaign.

You then see the message **Campaign Added**.

## 12.2 Searching for a Campaign

Click the **Campaigns** link to see the Campaigns screen with the Search Criteria box where you can search for a given campaign. You can also view campaigns you have worked with recently in the Recently Viewed sidebar box.

Search Criteria		
Campaign Name	Type	Owner
<input type="text" value="Email campaign"/>	<input type="text" value="v"/>	<input type="text" value="v"/>
Category	Media	Status
<input type="text" value="v"/>	<input type="text"/>	<input type="text" value="v"/>
Saved Searches		Search Title
No Saved Searches		<input type="text" value=""/> Add to Everyone <input type="checkbox"/>
<input type="button" value="Search"/> <input type="button" value="Clear Search"/>		

Figure 61: Search Campaign Screen

### Search Criteria

To search for a campaign, provide details given in the box that follows.

Campaign Name: Enter the name of the campaign.  
 Type: Choose the type of campaign from the drop-down list.  
 Owner: Choose the owner who is assigned to establish a relationship with the company from the drop-down list.  
 Category: Choose the category from the drop-down list.  
 Media: Enter the type of media for the campaign.  
 Status: Choose the status of the campaign from the drop-down list.

After you enter the search details, click **Search**.

Click **Clear Search** to clear the fields so that you can enter new search values.

### 12.2.1 Search Results

The campaigns that meet the specified Search Criteria are filtered by XRMS and displayed in the Search Results table.

Search Results <a href="#">Hide</a>					
Page 1/1 (1 records found)					
<a href="#">Campaign</a>	<a href="#">Type</a>	<a href="#">Status</a>	<a href="#">Owner</a>	<a href="#">Starts</a>	<a href="#">Ends</a>
<a href="#">Email campaign Sep05</a>	E-Mail	New	user1	2005-09-02	2005-09-14
<input type="button" value="Select Column Layouts"/>		<input type="button" value="Mail Merge"/>			

Figure 62: Search Results – Campaign

Click on the campaign name to view the details of the campaign.

You can also:

Click **Select Column Layouts**. For details, see 4.1.2.1.

Click **Mail Merge**. For details, see 4.1.2.2.

## 12.3 Viewing, Editing and Deleting Campaigns

Click on the campaign name in the Search Results – Campaign screen to view details of the campaign. Alternatively, click on the campaign name in the Recently Viewed sidebar box in the Campaigns screen to see the Campaign Details screen.

The screenshot shows the 'Campaign Details: Email campaign Sep05' screen. At the top right is the XRMS logo and 'Open Source CRM'. Below it is a navigation bar with links: Home, Activities, Companies, Contacts, Campaigns, Opportunities, Cases, Files, Reports, Administration, and Preferences. The main content area is divided into several sections:

- Categories:** A table with 'No categories' and a 'Manage' button.
- Notes:** A table with columns 'Attached To', 'Date', and 'Owner'. It shows 'No attached notes' and a 'New' button.
- Files:** A table with columns 'Name', 'Size', 'Owner', and 'Date'. It shows 'No attached files' and a 'New' button.
- Campaign Details:** A form showing campaign information:
  - Title: Email campaign Sep05
  - Type: E-Mail
  - Status: New
  - Cost: 0.00
  - Starts: 2005-09-02
  - Ends: 2005-09-14
  - Created: 2005-08-30 by user1
  - Last Modified: 2005-08-30 by user1
  - Description: Email campaign to increase awareness of new initiatives planned for the year.
- New Activity:** A form to add new activities with fields for Summary, User (dropdown), Type (dropdown), and Scheduled End (date/time). It includes 'Add' and 'Done' buttons.
- Activities:** A section with a 'Filter Activities' button and a 'Hide' link. Below it is a table with columns: Summary, Owner (G), Type (G), About, Scheduled Start, and Scheduled End. It shows 'No matches'.
- Footer:** A row of buttons: Select Column Layouts, Calendar View, Export, Mail Merge, and Browse.

Figure 63: Campaign Details Screen

Click **Edit** to make changes to campaign details. You now see the Campaign Details–Edit screen where you can make necessary changes. This is similar to the New Campaign screen (See Figure 60) except that there is an additional Delete button.

To ensure your changes are recorded, click **Save Changes**.

To delete this campaign, click **Delete**.

## 13 Files

You can attach one or more files with relevant information to a company, contact, opportunity, case, or campaign.

### 13.1 Searching for a File

Click the **Files** link on the top bar to see the Search screen. You can also view files that you have recently worked with in the Recently Viewed sidebar box of the Company, Contact, Case, Opportunity, or Campaign Details screens.

Search Criteria			
File ID	File Name	File Description	On What
<input type="text" value="1436"/>	<input type="text"/>	<input type="text"/>	<input type="text" value="▼"/>
On what Name		Date	Owner
<input type="text"/>		<input type="text"/>	<input type="text" value="▼"/>
Saved Searches		Search Title	
No Saved Searches		<input type="text"/>	
		Add to Everyone <input type="checkbox"/>	
<input type="button" value="Search"/>		<input type="button" value="Clear Search"/>	

Figure 64: Search File Screen

#### Search Criteria

Enter any of the following fields to search for a file.

**File ID:** This number is automatically generated by XRMS when a file is created. Enter the number.

**File Name:** Enter the name of the file.

**File Description:** Enter the description of the file.

**On What:** Choose the category that the file is associated with (companies, contacts, contacts of companies, campaigns, cases, or opportunities) from the drop-down list.

**On What Name:** Enter the name of the company, contact, campaign, case, or opportunity depending upon the option selected in the On What field. For example, if you select the Contacts of Companies option in the On What field, you have to enter the name of the company in the On What Name field to find files associated with contacts within a specific company.

**Date:** Enter the date of the file in the format YYYY-MM-DD.

**Owner:** Choose the employee assigned to establish a relationship with the company from the drop-down list.

**Saved Searches:** Searches that are saved are shown in the drop-down list.

**Search Title:** If you enter a search title in the box provided, the search is saved. If you select an item from the drop-down list and click **Delete**, this search is removed.

**Add to Everyone:** Select this check box to add this search to all your contacts.

After entering all the information, click **Search**.

Click **Clear Search** to clear the fields so that you can enter new search values.

### 13.1.1 Search Results

The files that meet the specified Search Criteria are filtered by XRMS and displayed in the Search Results table.

Search Results				<a href="#">Hide</a>
Page 1/1 (1 records found)				
<a href="#">Name</a> ▲	<a href="#">Description</a>	<a href="#">Date</a>	<a href="#">ID</a>	
<a href="#">Mary, The firm's name is "International Investment Group"</a>	Mary, The firm's name is "International Investment Group" and my contact is Mrs. Elizabeth Boyer. I'm sorry for the rush and appreciate your help.	2004-11-08	<a href="#">1436</a>	
<a href="#">Export</a> <a href="#">Mail Merge</a>				

Figure 65: Search Results – File

Click on the file name or file id to view the file.

You can also:

Click **Hide** to hide the Search Results table.

Click **Export** (See Export in 9.1.1 Search Results).

Click **Mail Merge** (See 4.1.2.2).

### 13.2 Attaching a File

You can attach a file to a company, contact, opportunity, case or campaign. To attach a file, follow the procedure below:

1. Click any one of the following links – Companies, Contacts, Opportunities, Cases, or Campaigns. For example, click the **Contacts** link to see the Search screen.
2. After the link is chosen, enter the criteria to search for a contact if it is not in the Recently Viewed sidebar box.
3. Click on the contact name in the Search Results table to see the Contact Details screen. If you recently viewed the contact, click on the contact name in the Recently Viewed sidebar box to see the Contact Details screen with the Files sidebar box.

Files			
Name	Size	Owner	Date

**File Information**

Attached To: Elizabeth Boyer

Display Name:

Description: This file describes the standard procedures for investment followed by companies.

Upload: C:\CRMS\_Guides\JenU\

*Figure 67: Attach File*

5. Enter file details as shown in the box below.

**Attached To:** This information is automatically displayed by XRMS. It is based on whether you are creating a new file through a company, contact, opportunity, case, or campaign. For example, if you are creating a file from the Files sidebar box of the Contact Details screen, the name of that contact will be displayed in Attached To.

**Display Name:** Enter a name for the file by which it will be displayed. For example, Standard Procedures for Investment.

**Description:** Enter a description about the contents of the file.

**Upload:** Enter the path of the file or click **Browse** to select the file from your local machine.

6. Click **Upload** to attach the file.

### 13.3 Viewing, Editing and Deleting Files

Click on the file name or the file id in the Search Results – Files screen to view details of the file. Alternatively, you can view files that you have recently worked with by clicking on the file name in the Recently Viewed sidebar box of the Files screen or click on the file name in the Files sidebar box of the Company, Contact, Case, Opportunity, or Campaign Details screens to view the file. You now see the File Details screen where you can make necessary changes.

Figure 68: File Details Screen

Make the necessary changes to the fields in the File Details screen.

Click **Save Changes** to save the changes.

Click **Download** to transfer the file to your computer. You can indicate where you wish the file to be saved.

To delete the file, click **Delete**.

## 14 Generating Reports

With XRMS, you can create several different types of reports. These reports can be for:

- Companies
- Opportunities
- Cases
- Users
- Customized according to requirements

Click on the **Reports** link on the top bar to view the Reports screen.

The screenshot shows the XRMS Open Source CRM interface. At the top right, it says "Logged in as: user1 • [Logout](#)". The navigation bar includes links: Home • Activities • Companies • Contacts • Campaigns • Opportunities • Cases • Files • Reports • Administration • Preferences. The "Reports" section is active. It is divided into two main categories: "Graphs" and "Reports".

**Graphs**

Company	
<a href="#">Companies by CRM Status</a>	Your sales funnel - how many of your accounts are in each stage of the customer development process?
<a href="#">Companies by Industry</a>	How many companies are in each industry?
<a href="#">Companies by Source</a>	How many of your accounts come from each source?
Opportunity	
<a href="#">Quantity by Status</a>	How many opportunities are in each stage of the sales closing process?
<a href="#">Size by Status</a>	How much potential revenue is in each stage of the sales closing process?
<a href="#">Quantity by Industry</a>	How many opportunities are tied to companies in each industry?
<a href="#">Size by Industry</a>	How much potential revenue is tied to companies in each industry?
Case	
<a href="#">Cases by Status</a>	How many cases are in each stage of the case resolution process?

**Reports**

Company Reports	
<a href="#">Company List</a>	List of companies, addresses and phone numbers
<a href="#">Contacts at Companies</a>	Printable contact summary information for Companies in search Results.
User Reports	
<a href="#">Activity Time Sheets</a>	List Activities by Start, End, and User (also shows Duration, Company and Contact)
<a href="#">Overdue Items</a>	List Overdue Items by User and Type
<a href="#">Open Items</a>	List Open Items by User and Type
<a href="#">Completed Items</a>	List Completed Items by Date Range, User and Type
<a href="#">Audit Items</a>	List Audit Items by Date and User

Activity Report for:

Custom Reports

Figure 69: Reports

Reports can be in the form of graphs or text.

### 14.1 Graphs

Graph reports are available for:

- Companies
- Opportunities
- Cases

Click on the graph name in the Graphs box to view it. **[[Unable to view graph!!! Graph error message]]**

## 14.2 Text Reports

Text reports can be created for:

Companies

Users

Customized according to requirements

Click on the relevant link in the Reports box to go to the report and generate it according to your requirements.

### 14.2.1 Creating a Text Report

The Reports box lists different XRMS reports (See the Reports box in Figure 69).

The procedure for creating an XRMS text report is similar for all reports shown, except that each report contains different types of data.

The example that follows shows how to generate an Activity Time Sheet, which is a User Report that shows all the activities of a specific user for a given time period.

1. Click **Reports** on the top bar to see the Reports screen.
2. In the Reports box, click the **Activity Time Sheets** link to see the Timesheets screen.

The screenshot shows the 'Timesheets' report generation screen. At the top, there is a navigation bar with links: Home, Activities, Companies, Contacts, Campaigns, Opportunities, Cases, Files, Reports, Administration, and Preferences. Below this, there are three input fields: 'Start' with the value '2005-09-19', 'End' with the value '2005-09-19', and 'User' with a dropdown menu showing 'Swanson, C'. To the right of these fields is a checkbox labeled 'Only show completed activities' and a 'Go' button.

Figure 70: Timesheets

3. Enter details in the following fields to generate the report.

Start: Enter the start date in the format YYYY-MM-DD for the time period for which you want to generate the report.

End: Enter the end date in the format YYYY-MM-DD for the time period for which you want to generate the report.

User: Choose the name of the user from the drop-down list.

4. Select the Only show completed activities check box if you wish to see only those activities that are completed. If you do not select this check box, you will see all activities for this user.

- Click **Go** to generate the report. You then see a report showing activities for the time period you specified. Other details shown are the Duration, User, Company, Contact, and the Activity name.

**Timesheets**

[Home](#) • [Activities](#) • [Companies](#) • [Contacts](#) • [Campaigns](#) • [Opportunities](#) • [Cases](#) • [Files](#) • [Reports](#) • [Administration](#) • [Preferences](#)

Start: 2005-09-19      End: 2005-09-19      User: Swanson, D [v]      ☐ Only show completed activities      [Go](#)

Start	End	Duration	User	Company	Contact	Activity
2005-09-19 15:59:19	2005-09-19 15:59:19	00:00	Swanson, David	International Investment Group	Massie, Xavier	<a href="#">To Do</a>
<b>TOTAL</b>		<b>00:00</b>	(0 seconds)			

*Figure 71: Timesheet Report*

- Click on the activity name in the Activity column to view details of the activity.

### 14.2.2 Viewing an Activity Report

You can view activity reports for different XRMS users. The procedure for this is as follows:

- In the Reports screen (See Figure 69), go to the Activity Report For drop-down list.
- Select the name of the user for whom you wish to view the activity report.
- Click **Go**.

## Glossary of Terms

Term	Association	Description
<b>Account Status</b>	Companies	Status of a company's account. For example, N/A, Closed, Hold, Approved.
<b>Activities</b>	Activities	Any task that links XRMS with a company (i.e. a company in the XRMS database). Activities must have the following: a description, be assigned to an XRMS user, a type, be associated with a contact in a company, refer to a case, and have a start date and end date. Completed activities are shown in gray, incomplete activities are in red.
<b>Activity Time Sheet</b>	Reports	Shows activities by user. Lists start date and end date, duration, user name, company and contact for which the activity is done, link to details of activity.
<b>Activity Types</b>	Activity	Activity types include: Call from, call to, e-mail from, e-mail to, fax from, fax to, internal, letter from, letter to.
<b>Administration</b>	Administration	Ability to customize fields, generate reports, and add, modify, and delete users.
<b>Audit Items</b>	Administration	Detailed audit by user of all actions done in XRMS.
<b>Campaign</b>	Campaigns	Campaigns are a collection of related tasks aimed at achieving a particular goal. A campaign usually extends for a fixed duration and is not related to a specific company.
<b>Campaign Status</b>	Campaigns	New, Planning, Active, or Closed.
<b>Campaign Types</b>	Campaigns	E-mail, Event, Magazine, Mail, Other, Phone, Television.
<b>Case</b>	Cases	Support issue for a specific company. Case items can be Help Item, Feature, or Request. Case Types can be added and modified by the Administrator.
<b>Case Priorities</b>	Cases	Shows the degree of urgency associated with a case. This could be: critical, high, low, medium. Case Priorities can be added and modified by the Administrator.

<b>Case Status</b>	Cases	Statuses are: New, Open, In Progress, Finished, and Closed. These statuses can be added and modified by the Administrator.
<b>Category</b>	Companies, Contacts	A custom field that can be related to Contacts, Companies, Campaigns, and Cases. Categories can be added and modified by the Administrator.

<b>Term</b>	<b>Association</b>	<b>Description</b>
<b>Clone</b>	Companies, Contacts	Exact copy of the details of any company or contact that currently exists. In the case of a company, this feature is used when a single company has several entities that provide different services from the same location under different names.
<b>Company</b>	Companies	Refers to any company in the XRMS database. Contacts can only be associated with companies. Companies can be associated with cases and activities.
<b>Company Code</b>	Companies	Unique code assigned to a company by any user.
<b>Company Name</b>	Companies	The commonly used name or trade name (partial or full name) of the company. In the case of high net worth clients, it could be the name of family, family office, or trust.
<b>Company Source</b>	Companies	Source where company found your business. This could be: Advertisement, Direct Mail, Other, Radio, Search Engine, Seminar, Telemarketing, Trade Show, Web Site, Word of Mouth. Company sources can be added and modified by the Administrator.
<b>Company Types</b>	Companies	Indicates the type of company. Example: Competitor, Customer, Partner, Special, and Vendor. Company types can be added and modified by the Administrator.
<b>Contact</b>	Contacts	Contacts are organizations and individuals within those organizations with whom your organization has a business relationship. Contacts include Brokers, High Net Worth clients, Institutional customers, private clients, or anyone who might work for the selected company or who has an important relationship with these contacts or with a company in XRMS. In the case of High Net Worth clients, the company may represent a family, a family office, or a trust. The contacts in such a company are the family members.

<b>Country Address Formats</b>	Administration	Format in which address is displayed.
<b>Country Code</b>	Companies	Code that identifies the default country. Entire list is available in Appendix A in the Administrator Guide.
<b>Created Date</b>	Companies Contacts	Date on which a company profile or contact profile is created.
<b>Credit Limit</b>	Companies	Credit limit in XRMS. This can be added and modified by any user.

<b>Term</b>	<b>Association</b>	<b>Description</b>
<b>CRM Status</b>	Cases	Shows the status of a case: Lead, Prospect, Qualified, Developed, Closed. CRM status can be added and modified by the Administrator/// Status of this company with regard to its relationship with XRMS.???
<b>Customer Key</b>	Companies	Unique number for a company. Can be added and modified by any user.
<b>Digital Dashboard</b>	Reports	Overview screen for administrators that provides access Reports and displays new Activities, Companies, Contacts, and Cases.
<b>Divisions</b>	Companies	A division within a company can have its own address, profile, and contact information. A division is always linked to a company.
<b>Element Definitions</b>	Companies, Contacts	<a href="#">Creating an XRMS company or contact custom field label. ????</a>
<b>Employees</b>	Companies	Number of employees in any company. Can be added and modified by any user.
<b>Export</b>	Administration	Allows export of the XRMS database.
<b>Files</b>	Contacts, Campaigns	Refers to files uploaded to XRMS. Files can be Word files, PDF, spreadsheets or any other type of file.
<b>Former Names</b>	Companies	The previous name of any company.
<b>Import</b>	Administration	Ability to import company and contact information

	n	into the XRMS database.
<b>Industry</b>	Companies	Industry that company operates in, example: Automotive, Healthcare, Finance and so on. Industries can be added and modified by an administrator.
<b>Legal Name</b>	Companies	The company's legal name. This is usually the same as the company name but may be different. Can be edited and entered by any user.
<b>Mail Merge</b>	Companies, Contacts	Provision to send e-mails to companies and contacts using boilerplate text or a blank e-mail form <b>///blank or customized templates.????</b>
<b>Modified Date</b>	Companies Contacts	Date on which a company or contact was modified.

<b>Term</b>	<b>Association</b>	<b>Description</b>
<b>Notes</b>	Companies, Contacts, Cases, Opportunities, Campaigns	Displays names of any notes that have been written on the activities.
<b>Open Activities</b>	Activities	Activities that are not closed or completed.
<b>Open Cases</b>	Cases	Cases that are not closed or completed.
<b>Open Items</b>	Cases/Activities	Cases or activities that are not closed or completed.
<b>Opportunity</b>	Companies	An opportunity with a company or a contact.
<b>Override Address</b>	Companies	An alternate Company address that takes precedence over the primary address.
<b>Owner</b>	User	The employee who created or is responsible for maintaining a relationship with the company.
<b>Priority</b>	Case	See Case Priorities.
<b>Profile</b>	Companies Contacts	Profile of a company or a contact.
<b>Rating</b>	Companies	Typically credit rating of a company. This could be: Fair, Good, Poor, N/A.
<b>Reports</b>	Reports	Reports generated by XRMS.
